CORE BEER RANGE

WOOD DUCK CREAM ALE 4.7% ABV, 18 IBU

Our signature beer. Straw coloured, with a mild biscuit and vanilla malt character and notes of spice from Saaz hops. We use nitrogen gas for our cream ale, giving it the characteristic creamy head and extra smoothness on the palate

BUNNY HOP LAGER 5% ABV, 30 IBU

Our interpretation of one of the original lagers of the world, the Czech Pilsner, Bunny Hop has the slightest honey tinge from Vienna malt, accentuated by an original Pilsner strain of yeast. Three different noble hops offer a solid, yet surprisingly soft bitterness that brings the legendary balance to a good pilsner. Its light-medium body makes this drop exceedingly easy drinking with any occasion

IRISH SPORT STOUT 5.1% ABV, 51 IBU

Stout with a twist. In order to get the typical finish of a good Dry Stout, we've fermented a small amount of the beer with a house blend of acid-producing yeasts and blended it back to the mother batch. The result is a stout with all the coffee and smooth chocolate notes you expect, with an underlying complexity that you don't. Served with nitrogen gas for an authentic thick head and smooth sailing through a pint

ROUSEABOUT PALE ALE 4% ABV, 30 IBU

A real New World ale, bursting with NZ hop characters of stone-fruit salad with distinct spice and citrus overtones. Brewed with heritage Schooner malt for an additional depth of flavour and texture. Immensely satisfying for lovers of easy-going, all-day Pale Ales

HUMP DAY I.P.A. 6.2% ABV, 45 IBU

Three cheeky Aussie hops, a smarmy British hop, and a couple surprisingly well-dressed American hops party happily together in our tasty IPA. Blending the old world and the new, tropical fruits, black currant, pine resin, citrus and floral notes dominate the flavour and aroma profile. And then there's more hops to crash the party. C'mon, it's IPA!

FRUIT BAT SUMMER ALE 5.2% ABV, 22 IBU

Our changeling Summer Ale has a fixed malt base of pilsner and wheat malts, with a quartet of dry-hop additions: Fruit-bomb hops Citra and Mosaic are used in every batch, but the other two hops change each time for a new fruity twist! See the sign on the taps for the latest hops

SEASONAL & SPECIAL RELEASE BEERS

ALPEN GOLD MÄRZEN 5.2% 22 IBU

A golden-amber lager traditionally made in German Spring for Autumn consumption. Malt-forward with a mild hint of honey, rounded biscuit notes and a soft graininess on the palate. We deviate from tradition with Aussie-grown Ella hops providing the balancing bitterness and a touch of spice

DUNKEL IN THE RYE DARK LAGER 4.8% ABV, 24 IBU

A truly unique triple-rye Dunkel brewed with limited edition Crystal and Chocolate Rye malts. Light roast, velvety chocolate and delicate caramel notes are all magically altered by the spicy rye at the heart of the malts

BACKYARD HARVEST 5% ABV, 25 IBU

We've used NSW-grown malt from Voyager and hops from Ryefield to showcase the flavours our local growers have to offer. Deep gold and oozing wet-hop aromas from almost 50kg of fresh Cascade, Centennial, and Chinook hops, which were hand-picked and driven immediately to the brewery for infusion into the beer. Rounded nutty and caramel malt notes hold up the backbone of the beer, while bright grassy, spicy and citrus characters jump out from all sides
