## CORE BEER RANGE

**WOOD DUCK CREAM ALE** 4.7% ABV 18 IBU

Our signature beer. Straw coloured, with a mild biscuit and vanilla malt character and notes of spice from Saaz hops. We use nitrogen gas for our cream ale, giving it the characteristic creamy head and extra smoothness on the palate.

**FRUIT BAT PALE ALE** 5.2% ABV 22 IBU **GOLD MEDAL WINNER INDIES 2019**

Named for the bats that seek out the ripest fruits during their nightly marauding, this Pale Ale is a trans-Pacific fruit salad in a glass. Aussie Topaz offers a zesty bitterness while US Citra and Mosaic hops in the kettle give a load of citrus juice and berry-like flavours to the body. But the papaya, lychee and coconut notes from a heavy dry-hopping of Cashmere is what harmonises the aromatics and flavours of this delightful ale.

**ROUSEABOUT SESSION ALE** 4% ABV 20 IBU

SILVER MEDAL WINNER INDIES 2019

A real New World ale, bursting with NZ hop characters of stone-fruit salad with distinct spice and citrus overtones. Brewed with heritage Schooner malt for an additional depth of flavour and texture. Immensely satisfying for lovers of easy-going, all-day session ales.

**IRISH SPORT STOUT** 5.1% ABV 51 IBU **GOLD MEDAL WINNER INDIES 2019**

Stout with a twist. In order to get the typical finish of a good Dry Stout, we've fermented a small amount of the beer with a house blend of acid-producing yeasts and blended it back to the mother batch. The result is a stout with all the coffee and smooth chocolate notes you expect, with an underlying complexity that you don't. Served with nitrogen gas for an authentic thick head and smooth sailing through a pint.

**BUNNY HOP LAGER** 5.0% ABV 30 IBU SILVER MEDAL WINNER INDIES 2019

Our interpretation of one of the original lagers of the world, the Czech Pilsner, Bunny Hop has the slightest honey tinge from Vienna malt, accentuated by an original Pilsner strain of yeast. Three different noble hops offer a solid, yet surprisingly soft bitterness that brings the legendary balance to a good pilsner. Its light-medium body makes this drop exceedingly easy drinking with any occasion.

**HUMP DAY I.P.A.** 6.2% ABV 45 IBU SILVER MEDAL WINNER INDIES 2019

Three cheeky Aussie hops, a smarmy British hop, and a couple surprisingly well-dressed American hops party happily together in our tasty IPA. Blending the old world and the new, tropical fruits, black currant, pine resin, citrus and floral notes dominate the flavour and aroma profile. And then there's more hops to crash the party. C'mon, it's IPA!

SEASONAL & SPECIAL  
RELEASE BEERS**RED ALE** 4.4% ABV 30 IBU

Clear ruby red with mild earthy aromas of pine resin and caramel. Extremely well balanced between aromatic and roasted malts, hints of citrus and coconut flavours, and a crisp hop bitterness, this Red is as drinkable as it is beautiful to look at.

**DOUBLE DRY HUMP IPA** 6.2% 45 IBU

Hump Day base beer, dry hopped differently and bigger using Rakau, Moutere hop hash and Sabro hops. It has a big aroma of pine resin and lime zest, with flavours of citrus, light grassiness and some lingering tropical fruit.

**"CAN'T BELIEVE IT'S NOT COCONUT"  
BROWN ALE** 5.1% ABV 20 IBU

A complex malt base offers smooth nutty flavours and mild caramel sweetness. But the massive Sabro dry hop addition gives an outstanding creamy coconut character to the beer that melds perfectly with the malty base. No real coconut added, promise!

**DUNKEL IN THE RYE** 4.9% 25 IBU

The third iteration of our Autumnal dark lager. Brewed with three types of rye malt for a spicy spin on a traditional dunkel. Smooth chocolate and light roasted coffee mix with hints of caramel sweetness and rye spiciness across the palate, while the light body of a lager sends it all down without a hitch. Immensely drinkable for the cool Autumn and Spring weather.
